Omnia Ahmed Mohamed

Phone: +20 10 653 892 07 | Location: Alexandria, Egypt

Email: OmniaBDM@Outlook.com | LinkedIn: linkedin.com/in/omniabdm

Web Developer and QA Tester with 5+ years of experience building WordPress and custom sites, performing manual and AI-assisted testing, and shaping brand identities. Delivered 10+ client websites with a QA website analysis and testing tool, improving issue detection and site quality. Skilled in JavaScript, Java, HTML/CSS, manual testing, bug reporting, and brand strategy. Seeking remote roles where I can combine development, testing, and branding to ship reliable, on-brand products.

Education

Diploma in Law, English Department, Alexandria University (2015–2020).

Experience

Web Developer / QA Tester

Upwork · Freelance - Remote | Dec 2025 – Present

- I build memorable brand identities and design sleek websites that stand out. My work helps businesses connect with their audience and leave a lasting impression.
